

MagConnect VESA 50 | 75 Mount

VESA 50 | 75 Mount with quick connect capability

SKU: MMU136
MSRP: \$79.99

The MagConnect VESA 50 | 75 Mount can be attached to a mount or cart with a standard VESA mounting configuration of 50 or 75. Users can expand the usage of existing equipment by adding this mount to make it MagConnect compatible. Once this mount is in place the setup can be used to mount a tablet using any of our MagConnect compatible cases.

The mount features MagConnect which allows a tablet case to magnetically attach and detach to the mount. It is equipped with a spherical ball joint offering near-infinite angle adjustment with levers that tighten around the ball joint to secure it in place. For healthcare environments a medical-grade version is available.

- VESA 50 & 75 compatible
- Allows users to expand the usage of existing equipment by making it MagConnect compatible
- Highly flexible joint allows up to 360 degree rotation
- Magnetic connection for quick mounting and dismounting
- Precision dial can be used to reinforce the tablet connection onto the mount

BENEFITS

- Configurable
- Expand Usability
- Ease of Use
- High Quality
- Ergonomic
- Increase Productivity
