

LapCabby Lyte combines all our most tested and loved features, to bring you a space saving range of static ICT storage solutions that are perfect for smaller deployments and 'lighter' on your budget.

Our latest range offers you a multitude of choice - from desktop storage to floor standing and wall mounted solutions. You can also choose from digital key pad access on individual door-per-device units or single doors that secure up to 16 devices - there really is a Lyte for any classroom or work space!

As standard with LapCabby you will receive lifetime warranty and a product that has been tested to the very highest global standards. And it wouldn't be signature LapCabby unless you can choose your favourite colour.

So welcome to LapCabby Lyte – all our favourite features combined to deliver ergonomic and cost effective solutions, without having to compromise on quality, functionality or style!

Reasons to Love LapCabby

No matter the device – We have a product to sync, store and transport them. Laptops, Chromebooks, Tablets, BYOD, 1:1, 2:1, 3:1 - we have you covered!

What you see is what you get – Our feature rich products come fully assembled and quite literally ready to roll...

Built from scratch – All our components are designed and manufactured in-house. We don't do off the shelf!

Lifetime warranty – On every LapCabby purchase - we know our design and build quality is unsurpassed!

Rapid delivery times – Our global network of partners spans 44 countries and all major continents - meaning no matter where you are we can get your LapCabby to you. Fast.

Friendly service – Just because we operate across the globe doesn't mean we have compromised our customer centric ethos.

GO² CASE

GoCabby

LapCabby Mini 20V

1.

Coloured inset door handle and power compartment cover. Handles sit flush to the door to prevent protruding parts being damaged.

2.

Lyte Single door option is supplied with a key and lock that includes a 7 pin activation system tested by an independent locksmith. The double sided key has two sets of teeth making the locking system more durable, impossible to pick and substantially increases security.

3.

Isolated power compartment for electrical safety. Secured with a 16 gauge steel cover panel fixed with security screws to conceal the electrical components, preventing cables from loss or damage.

4.

Supplied fully assembled as a static solution with non-marking feet.

5.

12mm grey MDF fixed shelves for extra strength.

5.

6.

Cable clip portholes secure cables from the side power compartment to the device compartment, to keep cables in place and prevent damage.

6.

7.

Well placed air vents to the base and rear allow constant air circulation, so no fan is required and devices charge in silence.

7.

8.

IEC power cable plugs into the mains and is designed to snap out if pulled away from the wall, preventing damage to the unit or any nasty trips.

8.

Optional Extra | Lyte Mini Base

Developed specifically for the Lyte range, the Lyte Base offers a robust, compact and agile platform to mount your Lyte 10SD Mini.

The base is positioned on 4 x 60mm hospital grade wheels, the same ones you'll find across our mobile ranges, making moving your devices around your classroom, office or retail environment as easy and stress free as possible.

You'll still benefit from the same small footprint and we've even integrated air vents to ensure efficient cooling Space for non-marking feet to fit in securely and we supply everything you need to secure your unit to the base and cover the base with a life time warranty.

| | Code | Number of Devices Can Hold | Cabinet Dimensions | Device Compartment Size |
|---------------------------------|-----------|----------------------------|---|--|
| Lyte 10 Single Door Mini | LYTE10SD | 10 mini devices up to 12" | W418 x D350 x H697mm 16.5" x 13.8" x 27.4" | W170 x D269 x H50mm 6.7" x 10.6" x 2" |
| Lyte Mini Base | LYTEMBASE | | W420 x D358 x H110mm 16.5" x 14.1" x 4.3" | |

| | |
|--|--|
| Materials | 18mm MFC, 12mm MDF, 1.5mm powder coated steel |
| Finishes / colours | LapCabby loves a splash of colour! Trolleys can be personalised to match school colours, differentiate trolleys for different subjects or grades or just for fun! Classrooms are colourful - why put up with a black or grey square box? Blue available for the Lyte Single Door Mini |
| Safety | All products are tested to the highest standard worldwide. USA: UL 60950-1/R:2011-12. Canada: CAN/CSA C22.2 No. 60950-1/A1:2011-12. Europe: EN 60950-1/A12:2011. Safety testing is a high priority to LapCabby. We don't release any products unless the trolley has been completely certified including electrics, materials, construction and components. Leading safety testing house we test the normal operating conditions of the product but also for faults, misuse, temperature, fire risk, electric shock and injury |
| FREE shipping | All our prices INCLUDE shipping! (For UK and US only) |
| Fully assembled | Our products are delivered fully assembled. Or as we say ready to roll |
| Additional extras | No hidden extras, what you see is exactly what you get, everything you need is included! We make sure we include everything you need to have a safe, efficient and bright cabinet in the classroom |
| Future proof | Yes, we have cabinets that accommodate laptops, Chromebooks and tablets at the same time and charge all devices simultaneously. It's handy to have a cabinet that charges all sorts of devices all at the same time. Whether classroom devices get bigger or smaller, they'll fit in a LapCabby Lyte for many years to come |
| Cable management and ease of wiring | Separate compartment safely stores cables, cable management and electrics away. Once the coloured panel is unscrewed, full access to the cables make it quick and easy to wire up. Having complete access to the cable management reduces the time it takes to set the cabinet up and means you don't have to squeeze your hands into tight spaces. If a charger needs to be removed or you need to access the electrical compartment you don't want to have to unload the entire cabinet. For safety reasons, a locked compartment to store the electrical components is important, plus cables can go missing if they are accessible from the front of the cabinet |
| Usable top surface | Yes |
| Testing certifications | Safety tested to the highest level worldwide   |
| Lifetime warranty | Lifetime warranty on all products and components, 5 years warranty on electrics. Product support for life! LapCabby offers the best warranty on the market (with no small print to consider. We make it easy to understand and we support our end users for the life of the product!) |

About LapCabby

Clever technology solutions that tick all the boxes

At LapCabby we understand that when it comes to storing and charging your devices you want something that looks good, won't let you down and above all is safe. We've been established over 20 years and in that time have worked tirelessly to develop products that meet the complex needs of a multitude of industries.

Our products may have changed over the years, the team has certainly got bigger and our company has gone from strength to strength, but our passion remains the same. Our commitment to customer satisfaction and high-quality products has earned us one of the best

reputations in the industry. We pride ourselves on outstanding customer service and being available to our trusted partners all over the world whenever they need us. As a family run business, we rely on our team of great people to do this.

As technology has evolved, so has our product range. From laptops and chromebooks to tablets and mini devices, we've developed unique solutions to meet the specific needs of your devices. We recognise that technology is ever changing and therefore build products that will serve you well in to the future.
