

Our GoCabby is designed to accommodate all kinds of USB-powered tablet devices including iPad, Android and Kindle Fire. If you're keeping them in individual protective cases while you're on the move, that's fine too – there's plenty of room, even for chunkier cases.

And it won't just keep your tech safe from damage. GoCabby has Cambriox U16S technology to sync your tablets, and its unique design means you can charge and update devices even when the case is shut and locked.

The GoCabby comes in a bright and stylish design and is fitted with a telescopic handle, two wheels and four feet. So, you can take up to 16 tablets with you on tour without having to worry about them running flat.

LapCabby Mini 20V

1

Telescopic handle, two wheels and handles on three sides for ultimate portability. When fully loaded it meets standard airline checked baggage allowance.

2

Case can be closed and locked during charging and synchronising, as devices will be kept cool by an internal fan.

3

IEC power cable plugs into the mains and are designed to snap out if pulled away from the wall, preventing damage to the unit or any nasty trips.

4. Charges and synchronises up to 16 USB devices using Cambriox technology. Intelligent charging recognises the make and model of each device and provides the exact rate of power according to the device manufacturers instructions, never over/under charges. Detects when device is fully charged and ceases to provide power.

5. Compatible with any USB powered mobile device, including iPads, Android tablets and e-book readers.

6. Additional storage space for laptop and other devices.

7. Accommodates tablets in protective foam and Velcro straps, keeping them safe in transit.

8. Double power socket inside to power a router or charge a laptop.

9. When you need to transport your devices, the GoCabby charge & sync unit is ideal when you are on the move.

10. Two locks at the top of the case can be secured with padlocks.

11. GoCabby Charge & Sync allows simultaneous synchronisation of all devices using Apple Configurator, iTunes or any other third party platform, saving you time when deploying apps, media and content.

About LapCabby

Clever technology solutions that tick all the boxes

At LapCabby we understand that when it comes to storing and charging your devices you want something that looks good, won't let you down and above all is safe. We've been established over 20 years and in that time have worked tirelessly to develop products that meet the complex needs of a multitude of industries.

Our products may have changed over the years, the team has certainly got bigger and our company has gone from strength to strength, but our passion remains the same. Our commitment to customer satisfaction and high-quality products has earned us one of the best reputations in the industry. We pride ourselves on outstanding customer service and being available to our trusted partners all over the world whenever they need us. As a family run business, we rely on our team of great people to do this.

As technology has evolved, so has our product range. From laptops and chromebooks to tablets and mini devices, we've developed unique solutions to meet the specific needs of your devices. We recognise that technology is ever changing and therefore build products that will serve you well in to the future.
