

NoteCase 12 USB-C

Mobile and safe storage and charging of Tablets

The NoteCase is a robust portable case easy to move around. The case is designed especially for ipads and for tablets of up to 11" in general.

Inside the case you will find USB-C ports for charging, 27,5 Watts per port. The USB-C ports and the low noise cooling fan are covered by a metal plate designed with ventilation slots. Outside the lid you will find ventilation slots as well, which will allow for charging with a closed lid.

Build-in Cable guides make sure that cables stay in place and prevent cable mess in the open compartment. The robust case of polypropylene copolymer is equipped with wheels and a telescopic handle to make the unit as mobile as possible.

The NoteCase is tested for temperature rise limits in different conditions while charging with closed lid. It is CE certified, and is by Danish design.

Mobile and safe storage and charging of Tablets

1. Load tested soft grip handles on both sides (90degree) and 1 in front (180 degree). The robust case comes with wheels and a telescopic handle to make the unit as mobile as possible.
2. On/off switch with LED power indicator. C14 main power 10 A fuse.
3. Easy to open double throw latches on 3 sides, total 4 latches. It is possible to lock the NoteCase with a Padlock.
4. The interior has 2 open compartments for chromecast / Apple tv and extra cable options. Metal cover plate to ensure the separate room for the USB ports. Fully length hinges for stronger lid.

Technical specification NoteCase 12

Product dimension - Exterior

Height	283 mm.
Width	604 mm.
Depth	473 mm.
Weight	9 kg.

Product spces

Colours	Black
Wheels	Nylon+Polyurethane
	Polypropylene
Body and handles	Copolymer
Latches	Nylon

Slot size

Room	12
Height	200 (210) mm.
Width	17 mm.
Depth	260 mm.

Electronical compartment

Height	220 mm.
Width	185 mm.
Depth	405 mm.

2 x extra compartment

Height	90 mm.
Width	120 mm.
Depth	40 mm.
