About LapCabby

LapCabby has been developing innovative products that our customers love for the last 20 years.

We make portable storage carts and charging solutions for laptops, tablets, e-readers, Chromebooks and netbooks.

It's the smart way to keep tech safe, charged, and in one secure place.

We've included some really ingenious features to ensure our products do everything you need them to - and a little more besides.

Our carts are used everywhere, from Education, Health Sector, Local and State Government and Corporate, so whatever you are our products are sure to make a difference
