

# MagConnect Universal S2 Holder For Smartphones

Adjustable MagConnect compatible holder for smartphones

SKU: MMX120  
MSRP: \$29.99

When paired with a MagConnect automotive mount this phone holder can help keep the user mobile while navigating. The holder is designed for smartphones measuring 5.4" - 6.9" high and 2.1" - 3" wide with a depth up to 0.6". The holder has 3 movable prongs that have a rubber gripping pad to ensure the smartphone is safely secured within the holder. A quick release button on the rear of the holder allows the quick removal of the device.

Each MagConnect mount is equipped with our proprietary quick connect magnetic connection allowing for quick mounting and dismounting of the holder from the mount. For added safety the mount features a red dial which can be utilized to reinforce the holder connection onto the mount.
