

## NoteBox 5

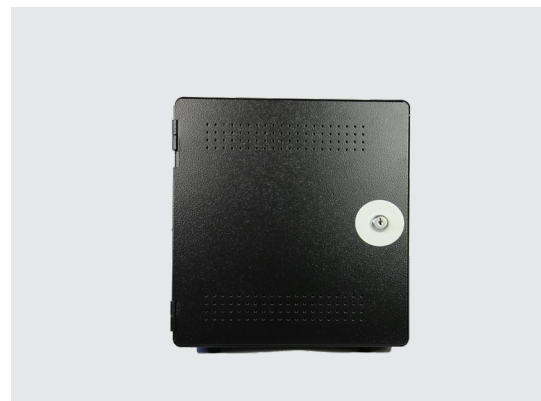

### NoteBox 5 is a compact storage and charging solution for 5 tablets.

NoteBox 5 is a compact and practical small storage box that holds up to 5 tablets, iPads or similar devices. Tablets can be charged in the locked NoteBox either via 5 power outlets or 5 USB A ports.

It is easy to hang up NoteBox in the classroom, staff room or office. Placement of NoteBox is flexible. The small storage boxes can be placed on a desk or mounted on the wall. It is also possible to stack the boxes as needed.

NoteBox has a secure cable system that prevents cables from getting lost.

With NoteBox you get a small, robust and flexible box for secure storage and charging of up to 5 tablets or iPads.

## NoteBox 5

### SOLUTIONS

- Designed for storing and charging up to 5 tablets, iPads or similar devices.
- NoteBox is a robust, small steel box.
- NoteBox has a separate compartment for power and electronic equipment, as well as internal cabling with a security system that prevents the cables from being removed.
- NoteBox can be fitted with power panels or a USB outlet.
- NoteBox can be placed on a desk or mounted on the wall. It can be stacked with as many devices as necessary.
- NoteBox is equipped with a key lock as standard. It is possible to fit NoteBox with a 6-pinned Ruko post box lock.
